

Presbytery of Middle Tennessee in Partnership with Guatemala

From the rain forest to the villages, the Peten in Guatemala is a beautiful and complicated place. The Presbytery of Middle TN began a partnership with the Presbytery of the Peten in 2002. It took a couple of years to develop a covenant which states our purpose and goals: we come together to praise and serve as members of the same body of Christ.

We have been nurturing our relationship over the years. We have made over 15 trips to the Peten and have worked with our brothers and sisters in areas of education (both secular and theological), healthcare, and water issues.

Though traveling might be rough, we managed to make it to as many villages as possible each visit.

We are always welcomed warmly with smiles, food and fellowship.

Our worship experience we share is full of music, prayer, common call and praise.
