

Interim Director of Music

Harpeth Presbyterian Church (PCUSA) is in search of a part-time Interim Director of Music. The position will be open beginning January 15, 2023 and continue through May 31, 2023, with potential to renew the contract. The Interim Director of Music will serve as choir director and accompanist/pianist for Sunday worship services.

We are a small church (150 members) with a long history and a vibrant, caring, mission-minded community. Our congregation combines a love of tradition and liturgical worship with an openness to a wide array of musical styles. During the academic year, we typically worship at two Sunday services (8:30 and 11:00). Our 8:30 service takes place in our fellowship hall and includes breakfast and a more casual style. Our 11:00 service takes place in our historic sanctuary and includes traditional liturgy and music from our choir. The Interim Director of Music will be responsible for selecting choral music and rehearsing our choir of 12-15 members. Rehearsals are held on Wednesday nights from 7:00 to 8:30 p.m. and on Sundays thirty minutes prior to the second service.
