

Now Hiring: Part-Time A/V Technician – Downtown Presbyterian Church

Downtown Presbyterian Church (DPC) is seeking a reliable, collaborative **A/V Technician** to join our Sunday morning team. Located in the heart of historic Nashville, DPC is a community dedicated to inclusive ministry and social justice. This contract position is ideal for a technical professional or freelancer looking for a consistent, meaningful Sunday morning engagement.

The Role: As the A/V Technician, you will be the primary lead for our technical "show flow," ensuring our worship services are accessible both in-person and via our livestream.

Key Responsibilities:

- **Live Execution:** Manage the sound system and YouTube Live stream during Sunday morning services and special occasions like Christmas Eve.
- **Content Creation:** Prepare and run worship slides (via Microsoft Office/Google Drive) with a Friday deadline for Sunday materials.
- **System Stewardship:** Maintain equipment organization, document technical processes, and coordinate with volunteers for redundancy.
- **Problem Solving:** Act as the point person for technical troubleshooting, ensuring services are recorded and uploaded if live streaming issues arise.

Qualifications:

- **Technical Proficiency:** Skilled in operating sound systems, YouTube Live, Microsoft Office (PowerPoint/Word), and Google Workspace.
- **The "Non-Anxious Presence":** Ability to remain calm and focused during live services and handle distractions with a professional, collaborative attitude.
- **Cultural Alignment:** Ability to work effectively in a historic urban facility that partners with local non-profits (such as *The Contributor*) to serve our unhoused neighbors.
- **Physical Ability:** Able to stand, sit, and carry equipment (1–15 lbs) as needed, including occasional system migrations to our Chapel.

Compensation & Schedule:

- **Rate:** \$40 per hour.
- **Hours:** 3 hours per week (Sunday mornings), paid semi-monthly.
- **Status:** Independent Contractor (1099).

How to Apply: If you are a proactive technician who thrives in a collaborative environment, we would love to hear from you. Please send your resume or a brief summary of your experience to info@dpchurch.com.
